DISCOVERY CRUISE 2025

Peggy's Cove Lighthouse. Halifax

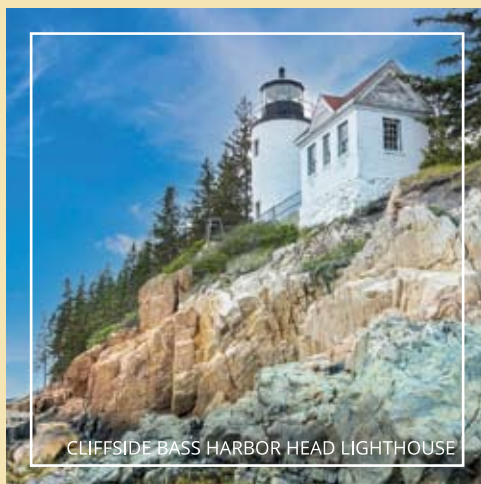

HISTORIC CITIES ⌘ QUAIN SEASIDE VILLAGES ⌘ CHARMING LIGHTHOUSES ⌘ BREATHTAKING SCENERY

*C*ruising along America's famed eastern seaboard is a step back in time when Colonial fishing and whaling ships ruled the coastal waterways. Today, its rugged coastline is dotted with quaint seaside villages, each representing a distinctive chapter in our nation's history. And we at **Kaough Distributing Company** invite you to join us aboard the Norwegian Getaway as we discover the stories and marvel at the unmistakable scenery of the New England coast and eastern Canada.

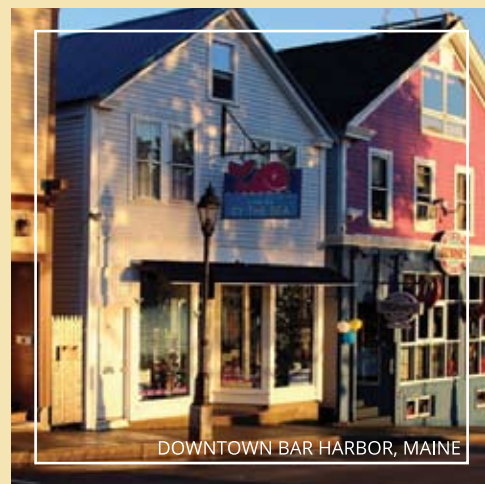

Our adventure begins with an overnight in New York, providing you with an opportunity to experience the "Big Apple". From there, the Norwegian Getaway calls on the historic U.S. cities of Newport, Rhode Island; Portland and Bar Harbor, Maine. Canadian ports include Halifax, Nova Scotia, and Saint John/Bay of Fundy, New Brunswick. Along the way, we'll find scenic bluffs, cobblestone streets lined with quaint shoppes, charming lighthouses, and, of course, some of the best seafood in the world. And there's no better time to visit than fall when the foliage begins to change, bathing the scenery in hues of red, yellow, orange, green, and brown.
